Sounds good to me. The only concern would be making sure that the books available on the bookmobile are in compliance with SB 150. I think Stephanie was going to reach out to the head librarian at the public library and have a conversation about this. I included Stephanie in this email.

On Thu, Jun 1, 2023 at 7:10 AM Katie Ellis <katie.ellis@boyle.kyschools.us> wrote:

Hi Pam -

The Boyle County Library would like to partner with us to set up the bookmobile in conjunction with the food distributions at JCES this summer. They have filled out a facilities request form. I want to sign off on it and collaborate with them this summer as long as you are on board. Do you have any concerns or angles I should think through?

Thank you!

Katie

Pam,

That is a great call-out. I do have the request in hand and it is ready for Sandy if there isn't another issue.

I would be comfortable putting it on for approval, knowing we may have to negotiate content with them. We do not move forward if we cannot work it out.

How do you feel about this approach? Is there another avenue outside of the facility use request that I have yet to consider for them? I was trying to be mindful of details.

Thank you,
Katie

I have thought about this further and don't want to be the impetus to working any of these details out with the library. I will let them know our concern and that we will not collaborate this year.

Katie & Pam,

I don't mind working with the bookmobile selections to ensure they comply with SB 150 and SB 5 if you plan to include them in meal pickups. I love the idea of them getting access to book materials! If it is too quick of a turnaround, I understand. Just let me know what you need me to do!

I think it would just require a conversation between you and your friend at the library, Stephanie.

When push comes to shove, I think we did our due diligence in making the request of the public library. Ultimately, if they choose not to do it then any complaints or issues from parents would fall on the public library and not us.

Good Afternoon,

After meeting with Stephen Dexter this morning, I have responded to all the questions and summarized his responses. If you think I've missed something, Steve, chime in.

Senate Bill 150 Guidance via Board Attorney
SB 150 Questions & Clarifications

At this point, here are the steps to follow for "due diligence" and to comply with the law:

1. Pull any items that are in opposition to SB 150 or SB 5 based on the guidance from our board attorney.
2. After you pull them, "mark or track as weeded" in Destiny for your records and ours.
3. If you have questions, reach out to us or your Principal.
4. We have a reconsideration policy in the board policy manual. If a parent feels like there is an issue with an item, they can complete the form and submit it to the Principal for review.

I know this will be tedious, and I suggest prioritizing this work first, before completing your inventory in Destiny for your extended days.

As always, let me know if you have questions.

Happy Wednesday!
Stephanie

No problem!

I've just taken everything to our board attorney, as I didn't write the law, and wasn't even sure how much or little it would apply to libraries until a principal got questions from parents and a site based member. When dealing with laws and policies, we (our district) always looks to him for guidance. KSBA might have further guidance I. July too.

Just don't stress and do the best you can. As long as you do your due diligence it'll be fine.

Thanks and have a great weekend!

Stephanie

Hey James,

If you don't have any library-specific guidance from KDE, we will take it to our board attorney for counsel. I want to have some clear guidance so our library media specialists and library programs know the law as it pertains to the library.

Thanks for your help!

Best,
Stephanie

Subject: Re: SB 150 Library Guidance

The ultimate overall question is: **Can library media programs make available for check-out books that pertain to topics listed in SB 150? If so, can they be part of displays or promotions in the library?**

Here is the exact wording from SB 150: A policy to respect parental rights by ensuring that: 1. Children in grade five (5) and below do not receive any instruction through **curriculum or programs on human sexuality or sexually transmitted diseases**; 2. Any child, regardless of grade level, enrolled in the district does not receive **any instruction or presentation that has a goal or purpose of students studying or exploring gender identity, gender expression, or sexual orientation**; and A policy to notify a parent in advance and obtain the **parent's written consent before the parent's child in grade six (6) or above receives any instruction through curriculum or programs on human sexuality or sexually transmitted diseases** authorized in this section. Any **course, curriculum, or program offered by a public school on the subject of human sexuality provided by school personnel or by third parties** authorized by the school shall: (a) Provide an alternative course, curriculum, or program without any penalty to the student's grade or standing for students whose parents have not provided written consent as required in subsection (1)(e) of this section; (b) Be subject to an inspection by parents of participating students that allows parents to review the following materials: **1. Curriculum; 2. Instructional materials; 3. Lesson plans; 4. Assessments or tests; 5. Surveys or questionnaires; 6. Assignments; and 7. Instructional activities**; (c) Be developmentally appropriate; and (d) Be limited to a curriculum that has been subject to the reasonable review and response by stakeholders in conformity with this subsection and KRS 9 160.345(2).

"A public school offering any course, curriculum, or program on human sexuality shall provide written notification to the parents of a student at least two (2) weeks prior to the student's planned participation in the course, curriculum or program." - This is from KDE guidance

So, with all of the above information:

Is the library collection considered a "program"?

Is the scholastic book fair considered a "program"?

I'm sorry to pose these questions, but they've been posed to me, and I wanted to get the KDE Library leads guidance. I don't want to put our Library Media Specialists and their programs in a position to be breaking laws. Still, I want them to be able to make available reading materials that are age-appropriate on all topics if the law permits. The library collection is not a curriculum or a presented program, in my opinion. It is based on a choice for check-out. The library instruction they provide within the library lesson would be considered a curriculum or presented program, but the collection itself, I would think, is not. I don't want to be the "say so" on this, though, because I would never want to put our libraries or district in a position of law-breaking or litigation. I've included our Chief Academic Officer, as he will be working through this with me for libraries, instructional resources, and our curriculum.

Thanks for any insight you can give us!

Stephanie

Hey Caitlin. The board has to sign this, so it'll go on the board meeting. Our board secretary will require that the WKU Provost sign the agreement first for board records. Can you request that, please?

Hi Caitlin,

I apologize, I had to edit our MOA to meet some concerns of SB150. Please have your superintendent sign and return, I will then have our provost sign and return it to you.

Thanks!

Because it is an "agreement" it has to go before the board. Can you ask Tammy to have their Dean or Provost sign it and return it? For the school signature, it can just say Boyle County Board of Education.

Thanks,
Stephanie

Subject: Re: [EXTERNAL] MOA needed please

Hey Brittney,

Just received word from our Central Office that our Board secretary will require that the WKU Provost sign the agreement first for Board records. Can we get that please and then send it back to me?

Thanks!

Hey Brittney,

After talking to Mr. Wade (our Principal who will be Superintendent next year), he said that he will not sign- it will be the Boyle County Board of Education. Therefore, that will need to be updated on the MOA you sent prior to having them sign.

Thanks!

Hi Caitlin,

I apologize, I had to edit our MOA to meet some concerns of SB150. Please have your superintendent sign and return, I will then have our provost sign and return it to you.

Thanks!

Good Afternoon,

I have been asked to get a copy of our MOA for Dual Credit from you all please. Can you please email that to me? They have to be signed by the organization, and then our board will sign.

Thanks!

From: Mark Wade mark.wade@boyle.kyschools.us
Subject: Guidance Referral Changes
Date: May 11, 2023 at 7:19 AM
To: Boyle Co HS Staff boylehsstaff@boyle.kyschools.us

With the passage of SB 150, we have had to make some adjustments. One of those adjustments will increase the amount of time it takes for students to receive any type of treatment from guidance counselors or mental health professionals due to the requirement of parental consent in most instances. Any type of counselor referral needs to be as specific as possible to assist in this process. I won't get too far into the weeds, but it will increase the time for many situations to be resolved. Feel free to take a look at SB 150 at the link below.

<https://apps.legislature.ky.gov/reco documents/bill/23RS/sb150/bill.pdf>

Thanks,
Mark

Thank you for sending this, and I will read through it. In the meantime, if a student asks to go see a counselor, I assume it is okay for us to go ahead and send them to the guidance office?
